

## **Effective September 1, 2022, non-LMHA Providers May Deliver Mental Health Targeted Case Management (MHTC) and Mental Health Rehabilitation (MHR) Services in FFS Medicaid**

Date: 09/14/2022

### **PROVIDER NOTICE**

Aetna Better Health of Texas is aware the recent HHSC notification related to Mental Health Targeted Case Management (MHTC) and Mental Health Rehabilitation (MHR) Services in FFS Medicaid effective 09/01/22. The notification allows non-LMHA providers to deliver MHTCM and MHR services. For enrolled Aetna Better Health of Texas members, MHTCM services do not require a Prior Authorization. This would include services being provided by an LMHA as well as non-LMHA providers.

Thank you,

Aetna Better Health of Texas, Provider Relations
